

LEVEL PEAKS ASSOCIATES

Quality Policy Communication

Level Peaks Quality Policy is effectively communicated to members of staff and its users through various methods to ensure each individual has access and can make reference where necessary.

- A copy of Quality Policy is displayed in LPA Warehouse, Floor 1 Kitchen area and on Floor 2 Kitchen main area.
- A copy of the Quality Policy can also be seen on our website www.levelpeaks.com
- New employees (since accreditation) receive a copy of the company quality policy with their contract

LEVEL PEAKS ASSOCIATES

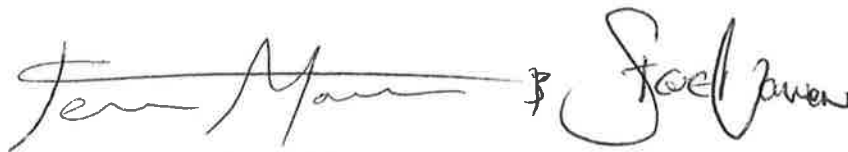

COMPANY QUALITY POLICY

Level Peaks Associates Ltd is committed to providing services, which completely satisfy the expectations of its customers.

We implement documented procedures for all key functions aimed to meet requirements of ISO 9001:2015 and which provide a framework for establishing and reviewing the company Quality Objectives. The company is committed to Continuously Improve the Quality Management System and the service provided to its customers.

The QA Manager has the authority and responsibility to ensure that documented systems and procedures are prepared, maintained and implemented to ensure compliance with company policy, customers' requirements and the Quality Management System. The QA Manager shall also ensure that any amendments to the standards referred to above continue to be reflected in the Quality Management System.

In our quest for excellence and continual improvement, the company ensures that all staff are suitably trained and are provided with appropriate resources to meet customer as well as statutory and regulatory requirements. The company ensures effective implementation and maintenance of its Quality Management system through the Internal Audit process.
